We'll also have some Ironman giveaways! **The first 20 lottery winners will be selected from those attending the party, so you increase your chances of being selected just by being at the party.**

If you win a slot:

- You will be given a registration code for Active.com to enter all your entry information on-line. This must be done within two weeks after the lottery.
- Athletes must complete any 70.3 distance race (1.2 mile swim, 56 mile bike, 13.1 mile run) or longer within one year of the 2010 Foster Grant Ironman World Championship 70.3 to validate their lottery slot. Lottery winners must complete the validating race before September 26, 2010 and all validating information must be received in the Ironman race office the following week. Failure to comply will result in forfeiture of the slot.
